ISAN MICE

KORAT

PURE AND NATURAL CITY

ISAN MICE **KO** **RAT**

The large city on the high plateau, known as the “Gateway to the Northeast,” stands out not only for its abundant natural resources but also for its diverse local cultures and authentic Northeastern cuisine. It is imbued with the profound faith of the Khmer civilization and has recently been recognized by UNESCO as “Nakhon Ratchasima Geopark,” an area of geographical significance and geological treasures of international importance. Managed comprehensively, the city focuses on sustainable conservation, education, and development.

KORAT FUNFACT

KORAT
is the province with
the **largest area**
in **Thailand.**

Being the World Heritage MICE City,
the economic and tourism hub of the northeastern region.

Acquiring
the Rights to Host
