

WE ARE COMMITTED TO  
**COVID-19**  
**PREVENTION**

**TICA**  
THAILAND INCENTIVE AND  
CONVENTION ASSOCIATION

**We all have a duty to ensure utmost health safety for delegates, staff and support personnel and are taking the following highly researched, proactive measures to stem the spread of COVID-19.**

The procedures will be communicated in advance to all involved in an event.

- Anyone feeling unwell is encouraged to not participate in the event and obtain health check if necessary.
- All staff and delegates will be screened for fever before entering coaches or public spaces. Those with a temperature above 37.5 degrees Celsius, or those feeling unwell, will be denied entry.
- Those with normal temperature will receive a health sticker to show they have passed screening.
- Anyone feeling unwell during an event must alert the staff.
- DMC staff will contact the designated hospital for testing and further treatment procedures.
- All vehicles will undergo complete disinfection prior to boarding.
- Masks and hand sanitisers will be provided on board.
- All staff will wear masks during operation and sanitise their hands regularly, and delegates will be encouraged to do the same.
- Provided drinking water will be sealed and not pre-opened.
- DMCs will ensure that all food provided is freshly cooked and not reheated.
- Social distancing will be observed.
- Up to date information will be constantly tracked from the Ministry of Public Health and measures updated accordingly.
