Thailand CONNECT
Asian crossroads, where memorable meeting achieve superior success

Blessed with dynamic destinations that connect global business opportunities and rich in the generosity of human spirit, Thailand's service industry has skyrocketed into the global limelight. With its strategic location in Asia, Thailand has become the global destination for all business events: meetings incentives, conventions and exhibitions (MICE).

Mixing business with pleasure. The Right Way.

Equipped with cutting-edge infrastructure, including 6 international airports nationwide, an upcoming high-speed rail network throughout Thailand and direct access to the Kunming - Singapore rail link, Thailand is the geographical and logistic center of Asia. With 5 convenient MICE cities, your business events can be organized into thematic MICE clusters; whether it be river cruise in Bangkok, zesty shindig in Pattaya, Lanna-style dinner in Chiang Mai, table-top by the beach in Phuket, or explore the unexploited I-Saan vibes in Khon Kaen. The center that connects all things MICE is here, with the choicest ingredients to make your next event not only a success, but also an unforgettable experience.
