

Thailand boasts a range of stage-of-the-art exhibition venue suitable to any needs or preferences

Thailand boasts a range of stage-of-the-art exhibition venue suitable to any needs or preferences

THAILAND offers a variety of world-class exhibition venues

With its strategic location and increasing business opportunities, Thailand is undoubtedly a leading destination in Asia for exhibitions and other business events. Thailand offers a variety of world-class exhibition venues, each equipped with the latest IT & communication technology, and support facilities for business events such as lift loading and bonded warehouse, plus teams of friendly professionals experienced in putting on successful trade exhibitions. In Thailand, there are many exhibition venues available in many different regions to suit specific needs and preferences.

BCC

The Bangkok Convention Center

The Bangkok Convention Center (BCC) is located in the heart of Bangkok's business district and shopping area. It is a fully integrated venue for international exhibitions. With 5,250 square meters of pillar-free space, the main hall can accommodate 5,000 delegates. There are 15 small meeting rooms in addition to the World Ballroom.

BITEC

Bangkok International Trade and Exhibition Center

Bangkok International Trade and Exhibition Center (BITEC) is Thailand's first purpose-built venue for trade exhibition. The center, well regarded for its world-class MICE facilities and services, offers a wide variety of technologically advanced facilities. Total usable event space at BITEC is 50,400 square meters across six event halls on level one, and its space options range from 5,000 to 26,000 square meters. BITEC's proximity to the Port of Bangkok and Laem Chabang as well as to the Eastern Seaboard industrial zone facilitates the rapid movement of exhibits to and from the center, a crucial advantage.

IMPACT

Impact Exhibition and Convention Center

Impact Exhibition and Convention Center (IMPACT) is another world-class venue with state of art facilities for business events. With more than 140,000 square meters in four main buildings, IMPACT Arena, IMPACT Exhibition Center, IMPACT Forum and IMPACT Challenger, it is the region's largest MICE facility. IMPACT can accommodate more than 40,000-50,000 attendees at a time.

QSNCC

The Queen Sirikit National Convention Center

The Queen Sirikit National Convention Center (QSNCC) is Thailand's world-class exhibition and convention venue. A triumph of modern Thai architecture, it was designed to meet the most exacting demands of today's exhibition organizers and meeting planners. The key area of the center is the partitioned Plenary Hall that can accommodate up to 5,000 people.

RPH

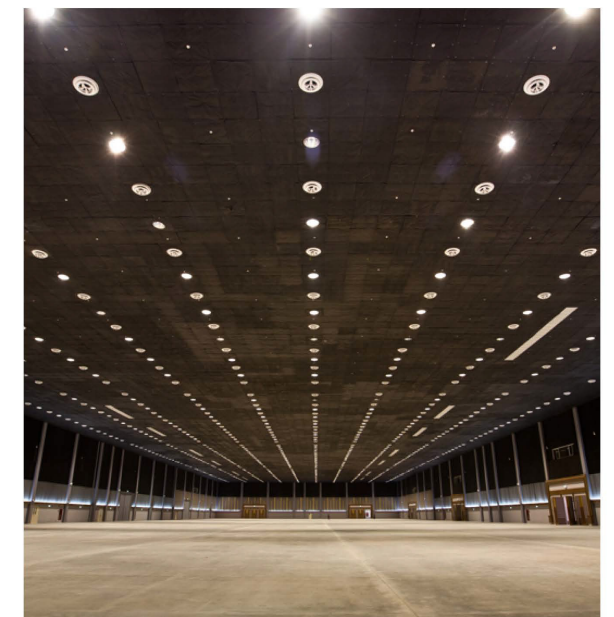

Royal Paragon Hall

Royal Paragon Hall (RPH) is another prestige venue located on the 5th floor of Siam Paragon, Asia's "Shopping Paradise". It is a stunning 12,000 square-meter venue fitted with the most advanced technology and it offers an attractive multi-purpose space that serves the needs of organizers of a wide array of events.

CMICE

The Chiang Mai International and Exhibition Center

The Chiang Mai International and Exhibition Center (CMICE) is the newest convention and exhibition center in northern Thailand and it is the largest one in Southeast Asia. Owned by the government, the three billion baht investment is a groundbreaking exhibition center equipped with world-class, state-of-the-art facilities.

PEACH

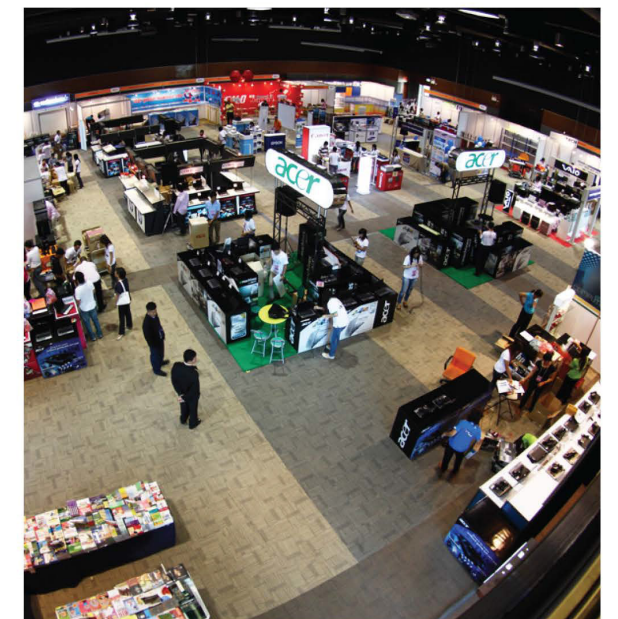

Pattaya Exhibition and Convention Hall

Pattaya Exhibition and Convention Hall (PEACH) A few hours from Bangkok, is a world-class “one-stop” exhibition venue managed by the award-winning Royal Cliff Hotels Group. PEACH is a state-of-the-art, self-sufficient complex catering to global and local MICE business, concerts, gala events, and banquets.

PSUICC

The 60th Anniversary of His Majesty the King's Accession to the Throne International Convention Center

The 60th Anniversary of His Majesty the King's Accession to the Throne International Convention Center (PSUICC) is situated within the Hat Yai campus of Prince of Songkhla University in southern Thailand. It is the largest convention and exhibition center in southern Thailand and can accommodate up to 4,000 people for seminars, conferences, and international exhibitions.
